EVENTS & EDUCATION

CLUB PRACTICES

Liberty Club Practices are a great chance for us to get together as a group and community to practice and work our horses in different arenas and in different atmospheres. A big part of liberty training is getting your horse exposed to new surrounds as much as possible. These Practices are also a great chance for us to connect as members, learn from each other, play, eat and have FUN!

Mini lessons are offered from our professionals as well as the opportunity to participate in Run a Pattern, Fix a Pattern. Our Club Practice schedule is available on our website.

CLINICS

As a club we often host clinics by local and popular liberty clinicians. Other great professionals are scheduled through out the year as well. Watch the website and Facebook for all our clinic dates. Have a suggestion for a clinician? Let us know!

SHOWS

Only ILHA Clubs can host ILHA Shows, and we offer several each show season, both Virtual and Live shows in person. New to showing at liberty? The ILHA website answers a lot of these questions and has some great resources. Our club also offers a CRASH COURSE:

Showing at Liberty 101 that is available. Just ask!

Be sure to check out our 2025 BUCKLE SERIES!

LIBERTY TALK LIVE Q&A

Every month, join us for our popular Liberty Talk LIVE Q&A Zoom call. We meet on the 15th of every month at 7pm CST. The links to join as well as the recorded links from past talks, are available on the Member's Only Facebook group. Each month has a special theme or guest speaker, but this is the time to ask all your questions whatever they may be!
